

Rivigo by Mahindra Logistics launches Express Hub; strengthens its strong network, technology, and process capabilities

Mumbai, May 16, 2023: Rivigo by Mahindra Logistics, part of India's largest integrated logistics solutions providers, launched its first Express Hub in Bhiwandi today. Followed with Luhari and Pune, these new processing centres are a part of Mahindra Logistics large format, multi-client warehouse that offer state-of-the-art infrastructure and facilities.

With a network of 17 processing centres and 200+ branches across the country, Express Hubs will serve diverse industries including e-commerce, consumer and engineering and will be operationally driven by a sustainable ecosystem. These new facilities are equipped with a comprehensive range of features and measures to ensure high-class capabilities, automation, and safety standards.

Commenting on the launch Mr. Sreeram Venkateswaran, Chief Executive Officer at Rivigo by Mahindra Logistics said, *"We are committed to provide fastest, safest, and most reliable express deliveries to our clientele and warehousing network is a key element. With the launch of Express Hubs, we look forward to providing a larger reach, best-in-class service delivery, integrated as well as customised solution for inbound and fulfilment, along with a sustainable ecosystem to enhance our Express Business's capability".*

Gurgaon based Rivigo by Mahindra Logistics has its foundation in the relay full truck load business. Over the years, the brand has made a strong presence in the PTL/Express services with pan India network, high-quality technology, and service backbone. It has a robust client base and its network, currently, covers over 19,000 pin codes across the nation.
